The court may also schedule interim pretrial conferences in appropriate cases.

Procedural Provisions

1. **Extension of Deadlines.** All requests to extend or modify deadlines must be made by motion and must state: (1) the original date(s); (2) the number of previous requests for adjournment or extension; (3) whether these previous requests were granted or denied; (4) the reasons for the requested extension; and (5) whether the opposing party consents and, if not, the reasons given for refusing to consent. The motion shall also contain a summary of the discovery, if any, that remains to be taken, and a specific date when the requesting party expects to complete the additional discovery, join other parties, amend the pleadings, or file a motion. Motions to extend or modify deadlines will be granted only for good cause shown.

Absent an emergency, any request for an extension or adjournment shall be made at least forty-eight hours prior to the deadline or scheduled appearance.

2. **Motions to Compel or Prevent Discovery.** Except for good cause shown, motions to compel discovery, motions for protective orders, motions to quash, motions to strike discovery responses, and similar motions must be filed no later than the close of fact discovery. If additional discovery is compelled by the Court after the relevant deadline has passed, the Court may enter such additional orders relating to discovery as may be appropriate.
3. **Reply Memoranda.** Parties need not seek leave of court to file a reply memorandum in response to an opposition to any motion, provided that such a reply memorandum does not exceed eight pages, double-spaced, and is filed within seven days (excluding intermediate Saturdays, Sundays, and legal holidays) after service of the opposition memorandum. Parties may otherwise file reply or surreply memoranda only with leave of court. When such leave is sought, the moving party may file a proposed reply or surreply memorandum with the motion for leave.
4. **Status Conferences.** The Court has scheduled a status conference after (or close to) the close of fact discovery for case management purposes. Any party who reasonably believes that a status conference will assist in the management or resolution of the case may request one from the Court upon reasonable notice to opposing counsel.
5. **Additional Conferences.** Upon request of counsel, or at the Court's own initiative, additional case-management or status conferences may be scheduled. Parties may request telephonic conferences where appropriate to avoid undue inconvenience or expense.
6. **Early Resolution of Issues.** The Court recognizes that, in some cases, resolution of one or more preliminary issues may remove a significant impediment to settlement or otherwise expedite resolution of the case. Counsel are encouraged to identify any such issues and to make appropriate motions at an early stage in the litigation.
7. **Pretrial Conference.** Lead trial counsel are required to attend any pretrial conference.

8. **Depositions.** Each party shall be permitted to take a total of 70 hours of deposition testimony, including party and non-party depositions.
9. **Privilege Logs.** The parties shall make rolling productions of documents and exchange privilege logs within 60 days of the production for which privileged documents were withheld. Communications reflecting attorney advice or work-product related to this litigation and occurring on or after January 1, 2025 are not subject to discovery in this case and need not be logged on any privilege log.
10. **Subsequent Orders.** The parties shall confer and separately submit to the Court an agreed or disputed proposed protocol for the discovery of electronically stored information, and an agreed or disputed proposed Protective Order.
11. Per Local Rule 16.1(d)(3), each party and that party's counsel have conferred with a view to establishing a budget for the costs of conducting the full course and various alternative courses of the litigation, and to consider the resolution of the litigation through the use of alternative dispute resolution programs such as those outlined in L.R. 16.4 and will file their certifications under separate filings.
